

We are a leading UK manufacturer of engineering plastic materials, components and composites to a wide range of industries which include aerospace, electrical, transport and general engineering.

We currently have the following vacancy based at our Birmingham head office:

General Machinist

In fulfilling the vacancy, we are looking for a general machinist to cover a range of machines such as Grinders, Sanders, Saws and Spindle Moulders.

The successful candidate will need to possess the appropriate skills, be able to demonstrate a proactive approach to problem solving and be flexible and willing to carry out alternative tasks as requested.

Experience is preferred, however appropriate training will be given.

Additional details:

Hours are 40 per week 7:00am to 4.00pm Monday-Thursday, with a 30 minute lunch break, and 7:00am to 12:00pm on Fridays

Salary: Rate: £9.50 to £11.00/ hour dependant upon experience.
